

Giuseppe Rosolini

Full professor

✉ rosolini@unige.it

☎ +39 010 353 6942

Education and training

Laurea in Matematica D.Phil.Oxon. in Mathematics

Academic experience

2000 - ONGOING

Professore ordinario di Logica Matematica

Università di Genova - Genova - IT

1992 - 2000

Professore associato di Logica Matematica

Università di Genova - Genova - IT

1982 - 1992

Ricercatore universitario

Università di Parma - Parma - IT

Research interests

Categorical Logic, Category Theory, Topos Theory, Constructive Mathematics

Assignments abroad

May–August 2018: Invited senior scientist, Hausdorff Research Institute for Mathematics, Bonn, Germany

April–May 2014: Invited senior scientist, Institut Henri Poincaré, Paris, France

February–March 1997: Invited lecturer, Datalogisk Afdeling, Aarhus Universitet, Denmark

February–April 1995: Invited lecturer, Dipartimento di Matematica, Siena, Italy

April–June 1994: Invited researcher, Ecole Normale Supérieure, Paris, France

April–May 1992: Invited lecturer, Département de Mathématiques, Louvain-la-Neuve, Belgium

Other professional activities

Editor of the *Journal of Pure and Applied Algebra*, of the journal *Theory and Applications of Categories*, of the journal *Archimede*, of the series *Scienza FrancoAngeli*
