PhD committees membership

Member of the PhD in Digital Humanities (University of Genoa)

Research interests

Micaela Rossi is associate professor of French Language and Translation at University of Genova, Department of Modern Languages and Cultures. Her research interests mainly focus on the analysis of specialized discourses, on the role of analogy and metaphor in the creation of technical neologisms, on lexical and lexicographical analysis and on terminology teaching and learning.

She is the head of C.I.R.M. (<https://unige.it/strutture/documents/CIRM>) and the President of Do.Ri.F. (<http://www.dorif.it>); she is a member of the board of professors of Digital Humanities PhD Course at University of Genova.
