Education and training

1994

PhD in Computer Engineering

University of Genova - Genova - IT

1988

M. Eng. in Computer Engineering

110/110 cum laude

University of Genova - Genova - IT

Academic experience

2016 - ONGOING

Full Professor

Università di Genova - Genova - IT

2004 - 2016

Associate Professor

University of Genova - Genova - IT

1995 - 2003

Assistant Professor

University of Genova - Genova - IT

Work experience

2010 - 2016

Head of Research Unit

Bruno Kessler Foundation - Trento - IT

Language skills

Italian

Mother tongue

English

Proficient

Research interests

Automated reasoning and its application to the modeling, building, and verification of reliable and secure systems:

- IT Security: System and network security, security protocols, application security (Web and mobile apps), access control;
- Formal methods: Models and of languages for the description and analysis of security properties. Model-checking and verification tools.
- Automated Reasoning: automated deduction, decision procedures for verification.
