☎ +39 3285423470

## *Education and training*

2001

**Master of Science Electrical Engineering**

University of Genoa - Genoa - IT

2004

**PhD**

University of Genoa - Genoa - IT

## *Academic experience*

2008

**Researcher**

University of Genoa - Genoa - IT

## *Research interests*

- Methods for the integration of renewable resources in the power network
- Microgrids
- Lightning modeling
- Transmission lines analysis and evaluation of lightning-induced overvoltages.
